We look forward to welcoming you as a member of The Lancastrian Theatre Organ Trust. All monies received is used for the furtherance of the preservation and presentation of these fine instruments.

Your membership will include two issues per year of the Trust's Journal - "Vox Lancastria" plus quarterly Newsletters.

If you are a taxpayer we would encourage you to sign a Gift Aid form. By doing this the Trust can claim a percentage of your membership subscription back from the government.

We would also respectfully suggest that if you deem it possible, additional donations are always welcome, as are bequests from your estate.
